1. Product and company identification

- **Product name:** Wreath made of natural twigs, round rattan wreath for crafting, 35cm
- **Manufacturer/Importer:** IGB-Gruppe GmbH
- **Address:** DE 45894 Gelsenkirchen , Erlestraße 95
- **Contact:** info@igb-gruppe.de

---

2. Description of the product

- **Intended use:** Decorative basketry and plant baskets for floristry, decoration and storage.
- **Material composition:**
  - **Materials:** Natural materials such as willow, rattan, seagrass, bamboo, wood or synthetic fibers.
  - **Surfaces:** Untreated, painted, coated or colored.
  - **Accessories:** plastic inserts, textiles, metal frames, ribbons or cords.

---

3. Possible dangers

- **Fire hazard:** Natural materials such as wood, willow and rattan are highly flammable.
- **Risk of cutting or stabbing:** Sharp edges or broken fibers can cause injury.
- **Moisture damage:** When wet, materials can swell or become moldy.
- **Dust development:** Natural materials can release dust that can irritate the respiratory tract.
- **Choking hazard:** Small parts such as ribbons or decorative elements can be swallowed by children or pets.

---

4. Safety instructions

4.1 General safety instructions

- **Keep away from children and pets, especially small parts that could be swallowed.**
- **Keep away from open flames and sources of ignition.**
- **Handle sharp or loose fibers with care.**
- **Avoid dust generation and use in well-ventilated areas if necessary.**

4.2 Notes on use

1. Use baskets only for their intended decorative or plant-holding purpose.
2. Avoid moisture unless the product is explicitly designed for outdoor use.
3. If used as a plant basket, use a suitable plastic or plant insert if necessary.
4. To avoid injury, do not reuse broken or damaged baskets.

4.3 Storage instructions

- Store in a cool, dry place, protected from direct sunlight.
- Protect baskets from moisture to avoid mold growth or material deformation.
- Store fragile or sensitive baskets in a shock-protected manner.

---

5. First aid measures

- **In case of cuts or puncture wounds:** Clean and disinfect the wound and seek medical attention if necessary.
- **If dust is inhaled:** ensure fresh air supply and seek medical advice if symptoms persist.
- **If skin irritation occurs due to materials or coatings:** Clean thoroughly with soap and water.
- **If small parts are swallowed:** seek medical attention immediately.

---

6. Firefighting measures

- **Suitable extinguishing agents:** water, CO_2, foam or powder.
- **Special measures:** Wear respiratory protection as burning may produce toxic fumes.
- **Note:** Burning baskets can quickly catch fire and produce large amounts of smoke.

---

7. Storage and transport

- **Storage:**
  - Store in a dry and cool place.
  - Protect from mechanical damage.
- **Transport:**
  - Stack products safely to avoid pressure marks or breakage.
  - Avoid moisture during transport.

---

8. Disposal instructions

- **Material-dependent disposal:**
  - Natural materials such as willow, bamboo or wood: composting or residual waste.
  - Plastic inserts or synthetic fibers: recycling according to local regulations.
  - Metal frames: recycling via metal waste.
- Recycle packaging materials according to local regulations.

---
