---

5. First aid measures

- **If skin contact occurs:** Wash thoroughly with soap and water. Avoid repeated contact.
- **In case of eye contact:** Rinse immediately with plenty of clean water and seek medical advice.
- **If inhaled:** Remove affected person to fresh air. If drowsiness or dizziness occurs, seek medical attention.
- **If swallowed:** Get medical advice immediately. Do not induce vomiting.

---

6. Firefighting measures

- **Suitable extinguishing agents:** CO_2, foam, powder.
- **Special measures:** Move containers out of danger zone if this can be done without risk. Wear respiratory protection.
- **Note:** Sprays may burst when heated and form explosive mixtures.

---

7. Storage and transport

- **Storage:**
    - Store in a cool, dry and well-ventilated place.
    - Always keep containers tightly closed.
- **Transport:**
    - Protect from mechanical damage.
    - Do not expose to temperatures above 50 °C.

---

8. Disposal instructions

- Dispose of contents/container in accordance with local regulations.
- Do not release containers or residual contents into the environment.

---

9. Additional information

- **Without adequate ventilation:** formation of explosive mixtures possible.
